7. Plaintiff is a company that specializes in distributing and licensing premier sporting events to commercial locations such as bars, restaurants, lounges, clubhouses and similar establishments. Over the years, Plaintiff has invested a considerable amount of time and money in building a loyal customer base and retaining customers.

8. By contract, Plaintiff was granted the exclusive right to license and distribute the Programs to commercial establishments throughout the United States. The Programs broadcast originated via satellite uplink and was subsequently re-transmitted interstate to cable and satellite systems via satellite signal.

9. Plaintiff entered into subsequent agreements with various commercial establishments in the State of Oklahoma that, in exchange for a fee, allowed them to exhibit the Programs to their patrons. In consideration of the aforementioned agreements, Plaintiff expended substantial monies to market, advertise, promote, administer and transmit the Programs to those establishments in the State of Oklahoma.

10. Prior to the broadcast of the Programs, Defendants could have contracted with Plaintiff and purchased authorization to exhibit the Programs in the Establishment for a fee. However, Defendants chose not to contract with Plaintiff or pay a fee to Plaintiff to obtain the proper license or authorization. At no time did Plaintiff give Defendants license, permission or authority to receive and exhibit the Programs in the Establishment.

11. By unauthorized satellite transmission or, alternatively, by unauthorized receipt over a cable system, Defendants willfully intercepted or received the interstate communications of the Programs or assisted in such actions. Defendants then unlawfully transmitted, divulged and published said communications, or assisted in unlawfully transmitting, divulging and publishing said communications to patrons in the Establishment.

12. Without authorization, license, or permission to do so from Plaintiff, Defendants exhibited the Programs to the patrons within the Establishment.

13. Defendants pirated Plaintiff's licensed exhibition of the Programs and infringed upon Plaintiff's exclusive rights while avoiding proper authorization and payment to Plaintiff. Defendants' actions were committed willfully and with the purpose and intent to secure a commercial advantage and private financial gain.

14. At the time of the wrongful conduct described herein, Defendants' agents, servants and employees were in fact Defendants' agents, servants and employees, and acting within the scope of their employment and authority as Defendants' agents, servants and employees.
